

Care Guide Textiles

**A little care goes
a long way.**

Essential tips for protecting your noo.ma products.

Please review them before first use.

- ✓ Avoid placing accessories in direct sunlight or near a strong heat source to reduce changes.
- ✓ Always remove stains quickly before they can cause any permanent damage to the product.
- ✓ Be careful not to scratch or damage the surface with sharp objects.
- ✓ Keep away from flammable objects.

Tablecloth

- Always remove stains quickly before they can cause any permanent damage to the product.
- To clean the surface use a soft cloth with a mild detergent.
- Wash gently at max. 40 degrees.
- Iron at max. 200 degrees.
- Do not bleach and chlorinate.
- Hang out to dry.

Cotton Throws

- Wash gently at 30 degrees.
- Do not bleach and chlorinate.
- Do not iron.
- Dry at low temperature.
- Shrinkage after washing: up to 4% of the length; up to 2.5% of the width.
- The structure of textile may slightly change after washing due to natural and irreversible fibre-laying process.

Beach Towels

- Wash gently at max. 40 degrees.
- Wash with similar colors.
- Do not bleach or chlorinate.

Woolen Rugs

- Do not wash - regular vacuuming will help in keeping the rug in good condition.
- In case of staining, gently remove the stain with a cloth or paper towel. Do not use a lot of water or strong detergents. Start removing dirt from the edge to avoid rubbing the stain.
- Shedding of fibers is a completely natural process. In the first months of use, the carpet requires regular vacuuming.

Cushions

- Most stains can be removed with water and any kind of a mild detergent like soap and then wiped dry.
- Handwash if necessary.

Bedding

- Wash gently at 40 degrees.
- Wash inside out.
- Use eco friendly detergents.
- Do not use softeners.
- Shrinkage after washing: up to 5%.
- Iron inside out on medium.
